Colour Notes:

The COLORBOND & COLORCLAD pre-painted steel colours shown on this chart have been reproduced to represent actual product colours as accurately as possible. However, we highly recommend checking your chosen colour against an actual sample of your product before a final purchasing decision is made as limitations of digital palette colours affect colour tones.

Please also note that if you are printing this page, the colours will not be accurate using most printers and should not be used for colour matching purposes.

Colorbond & colour names are registered trademarks of Bluescope Steel Limited.

Colours not under the profile can be ordered and supplied on Indent basis.
